### From the Principal

Hi Everyone,

Welcome to Term 2. I hope you all enjoyed a fun-filled holiday break. I am lucky to have the opportunity to sit at the 'Principal's Desk' for four weeks whilst James is off travelling around Italy and having a well-deserved break.

We had a very productive staff professional development day on the first day back - with a focus on problem solving, target setting and integrating our specialist learning areas into numeracy and literacy. The Kindergarten teachers took this opportunity to look at the new Kindergarten Report and compare it with our current one. Our Education Assistants worked on ways to improve our physical environments, both inside and out of the classroom. They have come up with lots of ideas on how to enhance the Nature Play areas around the school with a particular focus on developing the Pre-primary playground. I would like to sincerely thank staff for their professionalism and engagement on the day.

It was pleasing to see so many happy and excited students walking through the school gates a few days later. There has been a big improvement in the amount of students walking their bikes and scooters through the school grounds which is fantastic to see. The weather has been beautiful with the sunshine and warmth keeping the winter colds and flus at bay.

### ANZAC Assembly

The school councillors led our Commemoration Service for ANZAC Day which was held on the first day back for students. Bill Rankin, our chaplain, delivered the Prayer of Remembrance. Vikki Johnson, the Navy representative and Brien Bush from the Mandurah Sub-Branch of the Returned Service League spoke to the students about the courage and mateship shown by the ANZAC soldiers and our current service men and women.

The school choir, led by Mrs Lewis, sang 'The Last ANZAC', a song written by Michael Travers as a tribute to the last surviving ANZAC, Alec Campbell, who passed away in 2003. It was beautifully sung with standout solo performances by Jimmy from TB5.9 and Holly from TB5.8 It was very touching. A special thanks to Mrs Eve Clucas and our school councillors for running such a well organised service.

### Mandurah Stretch Arts Festival

I hope you had the opportunity to pop down to the Mandurah Stretch Arts Festival to see the stunning work on display by our budding young artists from Lakelands PS. Congratulations to Kim Fitzpatrick, our Visual Arts teacher, for running such an amazing program. The quality of work was outstanding.

### Winter Sport Competition

The Year 5 and 6 students have been training hard in preparation for the first interschool competition this coming Friday. They will be boarding the bus to compete against Riverside PS in Volleyball, Netball, Football and Soccer. I would like to thank Ms Brooke de Oliveira, our Phys-Ed Teacher, who has coordinated this event. I wish them good luck.

### 2016 Annual Report

Our School's inaugural Annual Report was presented and endorsed by our School Board last week. This report outlines our journey in 2016 and includes data that relates to enrolments, attendance, finance, student performance in NAPLAN and our community opinion survey.

### NAPLAN Quiz

The Year 3 students took part in a fun NAPLAN Quiz in Week 2 run by Mrs Fairbrother and the Year 3 teachers. The winners were Team Avengers who enjoyed a morning tea in the Principal's Office. Congratulations to Amie, Brody, Danielle and Cruz from TB 5.7. I hope they had room for dinner when they got home.

Thank you to the Year 3 and 5 teachers who have been working hard to prepare the students for NAPLAN this week.

### P&C Mother's Day Stall

I would like to wish all mothers a happy Mother's Day this Sunday. For those of you who are lucky enough to receive a gift purchased from our P&C Mother's Day stall I hope you enjoy the gift your child/children have especially chosen for you.

A **big** thanks to the P&C for organising this wonderful event. We appreciate all your hard work.

### Lost Property

We have accumulated a number of school jackets and other clothing which do not have a name on them. We ask that you please make sure all uniform items are clearly labelled with your child's name. On occasion students pick up the wrong jacket or hat to take home. Can you please check that your child is wearing their own jacket or hat? Thank you for your support.

### School Board Information

Information will be coming home soon to encourage interested parents and community members to nominate to be part of the School Board.

### Year 6 Camp

The Year 6 teachers are finalising the excursion proposal and costing of the Year 6 camp which will be taking place in Week 8 this term. Information will be coming home to parents soon. Camp is an amazing opportunity for students to put our school values of cooperation, courage, responsibility, leadership and respect to the test.

### Stranger Danger Awareness

Safety is a priority at Lakelands Primary School and we strongly encourage students and families to be aware of potential dangers in the community when travelling to and from school. Here are some suggestions to help your children stay safe:

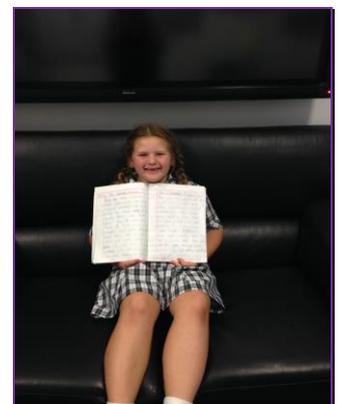

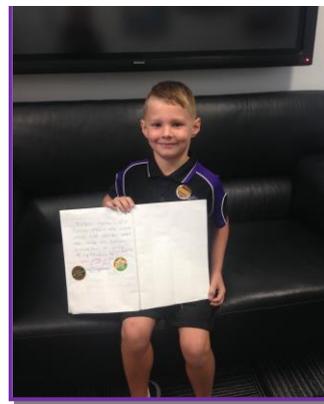

- always travel in a group
- walk on the right hand side of the road to face oncoming traffic
- stay in areas that are well lit
- stay in view – avoid going into areas that are hidden (such as parkland bush or behind shopping centres)
- be alert – earphones and headphones can reduce your awareness considerably
- if you have a mobile phone, have it turned on and ready to dial an emergency number
- if a passing car stops nearby, never get too close
- run from a situation if you feel at risk
- report suspicious behaviour to your parents, school and the police, and note number plates of cars and /or clothing or distinguishing features of suspicious individuals

To get the latest community safety information from police, visit WA Police on Facebook [www.facebook.com/WA.Police](https://www.facebook.com/WA.Police) or online at [www.police.wa.gov.au](http://www.police.wa.gov.au)

You can call **13 14 44** to report an incident to WA Police (only use 000 in an emergency) or **1800 333 000** to reach Crime Stoppers.

### Ripper Writers

I have been lucky enough to have two Ripper Writers sitting on the couch so far this term. Amelia wrote a wonderful story with a twist at the end that I didn't see coming and Riley taught me all about proper nouns.

Riley TB5.4 and Amelia TB2.4

As you can see we have had a busy start to the term and we can look forward to many more action packed weeks coming up.

Regards

Marnie Hamilton
