Week 3, Term 2 2021

## From the Principal's Desk

Earlier this term our school community came together to commemorate our ANZACs in a fitting service conducted by our Year 6 student representatives

and senior students.

Special thank you to Mr Brian Bush from the Mandurah RSL sub branch and the school choir for their contributions to our service. We had many parents in attendance, which was a nice to see, considering we have had so many whole school events cancelled recently during Covid.

*Student Representatives raising the flag during our ANZAC service.*

Term 2 has once again been impacted on by the ever evolving Covid restrictions. The school will endeavour to keep our community up to date with the latest Covid safe requirements through Facebook and SeeSaw. I would like to thank our community for the responsible way in which you have supported the school in complying with the restrictions in place. This will be an ongoing part of our lives for the foreseeable future, hopefully through the vaccine roll out and restricted overseas arrivals we can get back to normal and enjoy this beautiful part of the world we live in.

NAPLAN testing for our Year 3 and 5 students this year will be over Weeks 4 and 5 this term. Commencing from Tuesday – Friday, 11 to 21 May. While we acknowledge that the NAPLAN test is one test on one day, it does provide the school with a snap shot of student academic achievement and progress over time. This data is valuable to our school as it highlights the effectiveness of our programs and also provides teachers with information about concept gaps through a deep dive into their student's data. Over the past two years we have provided the opportunity for students to participate in online testing through our PAT tests, therefore we are confident that our students will acquit themselves well due to the familiar testing environment. All we ask is that they do their best on the day. The NAPLAN testing timetable looks like this:

Year 3 Writing (pen and paper) Tuesday, 11 May, Year 5 Writing (online) Friday, 14 May, Numeracy, Spelling and Punctuation & Grammar for Year 3 & 5 will be scheduled between the 12 May and 21 May.

## Public School Review

On Thursday, 13 May, our school will be undertaking an external review of our practices. The Public School Review team will be visiting our school for the day to affirm that we have sound self-assessment practices in place, that we know how school is going? We provide evidence to substantiate our claims and what we are doing to improve? P&C and board members will be asked to attend the review to substantiate our claim of effective community relationships and partnerships. We look forward to sharing with the review team the fantastic work our teachers have been doing and sharing our vision for the future direction of the school.

## Tell Them From Me (TTFM) Parent Survey

A huge thank you to the 141 families (29% of our school's family population) who responded to the Tell Them From Me (TTFM) Parent survey last term. This figure was up from 124 respondents in 2020. The results of this year's parent feedback reinforced positively the school's efforts in improving communication with parents, parent perceptions of student learning and safety of the school environment.

### Two-way Communication with Parents

Parents are informed	
<b>School Mean</b>	<b>7.2</b>
Reports on my child's progress are written in terms I understand.	8.0
If there were concerns with my child's behaviour at school, the teachers would inform me immediately.	7.9
I am informed about my child's behaviour at school, whether positive or negative.	7.2
The teachers would inform me if my child were not making adequate progress in school subjects.	7.4
I am well informed about my child's progress in school subjects.	6.9
I am informed about opportunities concerning my child's future.	6.4
I am informed about my child's social and emotional development.	6.3

Following parent feedback in 2020 Lakelands PS adopted a whole school communication strategy using the 'SeeSaw' app. The 2020 school mean for 'Parents are Informed' was 6.9 increasing by 0.3 to 7.2 in 2021. Over particular interest was the increase in results for the following questions increasing by 0.5 in the 2021 survey.

- I am well informed about my child's progress in school subjects

# Community Newsletter

Week 3, Term 2 2021

- I am informed about opportunities concerning my child's future.

Combined with the use of the school's Facebook page and the school newsletter we strive to improve effective communication with our school community.

With the ever changing Covid restriction landscape timely communication has become essential for our school community.

## School Supports Learning

### School supports learning

Teachers take account of my child's needs, abilities, and interests.	7.6
Teachers expect homework to be done on time.	6.7
Teachers expect my child to work hard.	7.9

## School Supports Child's Behaviour

My child feels safe at school.	8.4
My child feels safe going to and from school.	8.3
Gangs are not a problem at our school.	8.2
There are no racist or ethnic tensions at our school.	8.1

The above two results from our parent survey also indicates a positive school culture with teachers supporting and encouraging student learning and students feeling safe while at school. These two survey items signify important prerequisites to learning. The school mean for the above two sections of the parent survey improved by 0.4.

## STARS Morning Tea

This term we are initiating a stars morning tea where two students from each PP-Yr6 class will be selected to have morning tea with Mr Mitchell. The purpose of this termly event is to reward those students who are constantly living our school values in and outside of the classroom. Parents will be notified of their child's invitation via a special invite sent through the post. The morning tea will take place Friday, 21 May and Friday, 25 June in the staffroom, where students will share some special treats and be presented with a certificate. The plan is to run this event twice a term, providing special incentive for students to continue to be a Legend Lakelander.

## Imagine Project

The Imagine Project is an innovative series of academic extension and enrichment programs delivered by Coastal Lakes College specialist curriculum leaders, to students in our local primary schools. The project is a collection of opportunities aimed at specific years and areas of curriculum extension and/or enrichment. This opportunity will be provided for an invited group of Year 4's from each of the primary schools.

The programs aim to provide academic extension in either Mathematics/Science/Technologies or Humanities/English/Arts.

Our Year 4 students who started their Imagine projects at Coastal Lakes College last week are: Joseva, Jarger, Hudson, Libby, Jacob, Tamzyn, Mary, Emily-Rose, Kloe and Flynn. We are excited to view their projects at the end of term.

## Voluntary Contributions

Voluntary contributions (\$60 per year) are currently being collected by the front office. A huge thank you to those parents who have paid their voluntary contribution. Voluntary contributions are a vital income sources for our school so we can purchase additional iPads, library books and sport equipment. Last year we had 24% of our families pay their voluntary contributions which is understandable given the circumstances of 2020 and the Covid pandemic. This year as an incentive to pay the Sharp family have kindly donated three prizes as an incentive to pay your voluntary contributions.

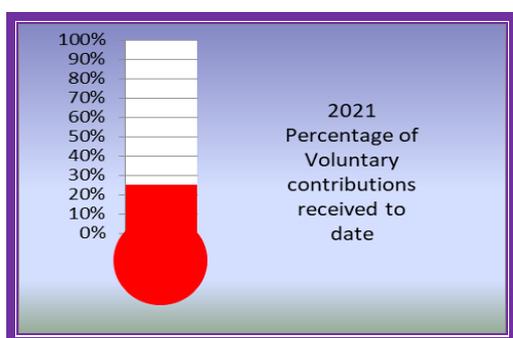

- 1<sup>st</sup> prize 125cc Thumpstar TSC-125 Pitbike valued at \$1000
- 2<sup>nd</sup> Prize a \$150 Perm-a-Pleat uniform voucher
- 3<sup>rd</sup> prize \$50 Ziggies stationery voucher

## Chaplain's Chat

The Chaplain is available to support your child through any circumstance. I have the privilege of spending quality time with students; this allows them to feel seen and heard. If your child needs support, I am available to catch up with them. The service is non-religious, and confidential. Sometimes all a child needs are to get things off their chest.

I'm available Wednesday, Thursday and Friday, during school hours.
