Week 6, Term 1

Lakelands  
PRIMARY SCHOOL

## From the Principal's Desk

Welcome to Week 6! Our first 5 weeks have been action packed and have literally flown by. The rest of the term

doesn't look like slowing down so I urge parents to keep up to date by using our live calendar which can be found on our website.

If you haven't had a chance yet make sure you walk through the front reception and see the wonderful art work on display. Suzi Bird, an artist from our parent community and the Year 1 students have created a stunning piece of art that celebrates cultural diversity. It is titled 'It takes all kinds of fish to make a school'. It certainly brings to the forefront the importance of encouraging everyone to experience, explore and appreciate WA's wealth of cultural, religious, linguistic and ethnic diversity. As a school we will be celebrating this diversity on March 21 as part of Harmony Day 2018. The theme this year is 'everyone belongs' which is something the Lakelands community does very well.

I met with the P&C recently and they have some great activities planned this term. It is a real pleasure to be part of such an enthusiastic team whose main focus is raising money for much needed resources. This year they are raising money for a new playground for the junior students. Think climbing frames, climbing ropes, slides, platforms linking bridges and soft fall surfaces. The possibilities are endless! The good news is we get to design the playground to suit our students. I invite parents to get on board and lend a hand as we all know the old saying 'many hands make light work'! The P&C will be meeting again on Wednesday 14 March at 8.45am in the staff room. I hope to see you there.

Don't forget you can always stay up to date with all the latest information and events via our website

## Student Councillors

I was very privileged to be part of the Student Council nomination process a few weeks ago. We had a record number of students vying for position and some very impressive speeches. Whilst we introduced our councillors at the assembly last week it gives me great pleasure to announce Aimee, Angelina, Harri, Luke, Mason and Tayah as our Student Council for 2018. Congratulations! They have made an excellent start to their role by assisting Mrs Muir last week during our school photos. I look forward to chatting to them all at our first Admin Meeting this week.

## Faction Captains

The faction caption elections are now completed. We congratulate the students below who will be a great help to Mrs De Oliveira this year.

Gold: Jonty (5.10) and Ava (5.10)

Red: Casey (4.2) and Mia (4.1)

Green: Cade (4.2) and Mikayla (4.1)

Blue: Callum (4.1) and Tarni (5.10).

## Parent Interviews

As a part of our reporting policy we are holding parent interviews in Week 9, 10 and 11 of this term (March 26 – April 13). The purpose of the interview is to provide the opportunity for parents to meet with the teacher to discuss their child's progress. Interviews will be scheduled in 20 minutes time slots either throughout the day or after school. We strongly encourage parents to book an interview time. Details on booking interviews will be sent home over the coming weeks.

## Swimming Lessons

Our Year 4 to 6 students will be involved in swimming lessons at Doddi's Beach in weeks 10 and 11 of this term. Our lifestyle is based around beaches and open water and it is for this reason that the lessons are held at the beach for our older students. Letters were sent out last week asking parents to forward payment as well as the information regarding your child's swimming ability. **It is vital we receive this information back by March 21** so we can ensure your child is placed into the correct swimming group.

If you require further information please don't hesitate in contacting our office on 9584 2601. Parents please note that our Pre-Primary to Year 3 students still do their lessons at the Mandurah Aquatic Centre and that will occur in Term 2.

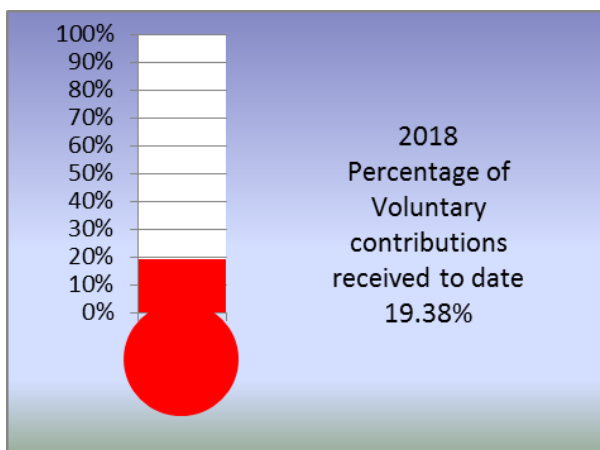

### Ride2School Day

Friday 23rd March 2018 marks the eleventh National Ride2School Day, where over 250,000 Australian children will ride and walk to school. It is a day that celebrates riding and walking and encourages everyone to give it a go!

At Lakelands Primary School, we support Active Transport, which includes riding, walking, scooting or skating to school. To help celebrate this day we will be holding a dress up your bike day. Students are encouraged to dress up their bikes and ride to school on this day. A prize will be awarded to the student with the best dressed bike from the following: K & PP, Years 1,2 & 3 and Years 4,5 & 6.

### Voluntary Contributions Update

Thank you to the parents who have been in recently to pay their Voluntary Contributions. In the last newsletter we had 4.1% of parents paid. Now we have 19.38%. Remember this contributes to the purchase of additional resources and the running of programs in the school which have a direct impact on your children's learning. Every cent of the contributions you make is spent directly on our students.

Last year only 33% of parents paid. We need your help to move the thermometer up and reach our goal of 75% of parents paid.

**Account Name: Lakelands Primary School**

**BSB: 016 745**  
**A/C Number: 190756561**

Please ensure you include student name and reason for payment.

### Science Club with Mrs Theodosiou and Mrs Starbuck

Science Club is up and running again this year. We have created fake snow and made sherbet, explored the Nature Garden, fed our crunch and sip scraps to the worms, constructed models and more. We have Science club on Mondays, Wednesdays (Worm Warriors), Thursdays and Fridays with Mrs Starbuck or Mrs Theo.

## High School Update - Message from the new principal, Kya Graves

I am seeking expressions of interest from parents and potentially some community representatives to form a Steering Committee. The role of the Steering Committee includes:

- Providing a sounding board for the Principal on specific issues e.g. IPS status; school name; logo, colours and uniform; school brand, motto and values; and community expectations.
- Provide support to the Principal in preparing the school for opening e.g. community communication; initiatives and expertise.

The Steering Committee is separate to the School Board as the roles are different and a School Board will not commence until the start of 2019.

I am seeking people with a broad and representative perspective. Therefore people who may apply for future positions in the school, government representatives or people with vested interests may not be the best fit. A good size would be 12-15 people so if more people apply than there are places, then selections may be necessary on the basis of ensuring balanced representation.

If you wish to submit an expression of interest please email me using [Lakelands.SS@education.wa.edu.au](mailto:Lakelands.SS@education.wa.edu.au) including your contact details, and if appropriate which school your children currently attend.

## Attending School Matters...

At Lakelands Primary School we want your children to do their very best. To get the best education they need to attend school every day.

**1 or 2 days doesn't seem like much but...**

If your child misses.....	That equals....	Which is.....	Over 13 years of schooling that is.....
1 day per fortnight	20 days per year	4 weeks per year	Nearly $1\frac{1}{2}$ years
1 day per week	40 days per year	8 weeks per year	Over $2\frac{1}{2}$ years
2 days per week	80 days per year	16 weeks per year	Over $5$ years
3 days per week	120 days per year	24 weeks per year	Nearly $8$ years

At school, many concepts such as literacy and numeracy are taught in a sequence. Missing school means missing out on learning – which can often make it difficult to catch up later. This is

[www.lakelandsps.wa.edu.au](http://www.lakelandsps.wa.edu.au)

particularly important in the early years when essential foundation skills are being taught.

Going to school every day helps children learn the important life skill of 'showing up' – at school, at work, to sport and other commitments.

## Harmony Day

Harmony Day celebrates Australia's cultural diversity. It's about inclusiveness, respect and a sense of belonging for everyone.

Harmony Day will be celebrated on Wednesday 21 March. Our assembly for Harmony Day will include a student dress up with the theme of traditional cultural dress; we invite all families from Pre-primary to Year 6 to join us for our Harmony Day assembly at the earlier time of 8:40am, where students will parade their outfits. A note will be sent home with further information about the student dress up theme.
