A child's drawing on white paper. A pink, round creature with a black dot for a mouth and a small tuft of hair on its head sits on a red, crescent-shaped object. The creature holds a long, thin black stick. From the stick, four orange, round creatures hang by their heads. Each orange creature has two small black dots for eyes and two small black lines for legs. In the bottom left corner, there is a green, five-pointed star. The drawing is done with thick, visible strokes of colored pencil or crayon.
