Week 9, Term 2 2020

From the Principal's Desk

As we leap out of phase 2 into phase 3 lifting of COVID-19 restrictions we are approaching the school holidays and we will be finally allowed to travel more broadly throughout our amazing state, maybe enjoying some warmer weather up north. To those Lakelands families' safe travels. To all our parent/carer community, thank you for the way you have been respecting the Covid-19 restrictions. While it is great to have you back on school site, parents are asked to remain outside of the classes unless attending a prearranged meeting.

During my back gate duties in the morning and afternoon I have enjoyed talking to parents and getting to learn even more student names. Cars using the back kiss and drive along Catalina Dr over the past 8 weeks have been using it very effectively with the earlier opening time and the traffic is flowing as expected when motorists follow the road rules. Please be aware there is ***NO kiss and drive at the front of the school along Cawana Parkway*** and parents are not permitted to park in the staff carpark adjacent to the big Tuart tree at the front of the school.

Parents/Carers commenting on the Residents of Lakelands Community Facebook page about perceived parking issues have never approached me personally to enquire about parking conditions/solutions or even bothered to gain an understanding of what we are putting in place as a school to create a safe environment for our students at pick up and drop off times. Comments on this Facebook page are ill-informed and a whinge that does nothing to promote change. We are attempting to address the traffic congestion but we do rely on motorist following the road rules to begin with.

Enough of my rant now for something positive. In recent enrolment interviews with new families over the past two weeks I have had the privilege of offering guided tours of our school's facilities. Touring through classrooms, art and science room, school garden, library, Wellness centre, technology centre, canteen, sporting facilities, before and after school service and playgrounds the new parents are very complimentary about what they have seen of Lakelands PS and are excited that their decision to make the move to Lakelands PS half way through the year is

justified. This is a proud moment for me as the Principal of Lakelands PS.

Year 2 students making their own reading pod.

The human analogue clock. An innovative way TB5.3 are teaching the concept of time. I had to investigate when I saw

so many students lying down during class.

Outdoor classroom addition

This week we have added seating to our outdoor classroom to enable the area to be better accessed for the purposes of

Waste wise activities and outdoor learning. Soon there will be a shed installed to house the equipment students will use to maintain and propagate our garden. Exciting times ahead for our waste wise team.

Community Newsletter

Week 9, Term 2 2020

Defibrillator located at the front of the school

Thanks to a collaborative effort from our P&C, St. Johns and Mrs Muir we are now able to unveil our new community accessible

defibrillator that is located on the outside of the Administration building. The school is also registered on the St Johns First Responder App should someone at the school or within our community need it. Fingers crossed that we don't have to use it.

Cross Country

This year's event will be held on the school grounds on Wednesday, 24 June 2020 (Years 3 and 4) and Friday, 26 June 2020 (Years 5 and 6) starting at 2pm.

Due to COVID-19 restrictions of 100 parents allowed on school grounds during events, parents and carers are encouraged to watch the race from outside the school fence along the course route. If this number is increased between now and the race date, we can reconsider having parents onsite for this event.

Each student needs to bring a hat, water, sneakers and, an asthma puffer if needed. Students must wear their school uniform including their hat and sunscreen on the day so they are recognizable to staff.

School Board

It was so lovely being able to meet with the board again and great to see a new face, Kathryn White. Thank you to all members for attending and for making it an engaging interactive meeting. Some items discussed were the business plan, the new moral purpose statement and we analysed all the survey results that staff, students and families participated in. The overall results were very pleasing. It's so wonderful to be part of this great school. If anyone would like more information or is interested in attending our future meetings, please don't hesitate to contact myself or Brad Mitchell.

Lost Property

Our lost property box is full of school jackets at the moment, if your child is missing their jacket, please check the box in our undercover area.

Kindergarten Enrolments 2021

Our Kindergarten Enrolments for 2021 are now open. Please go to our website for the relevant forms to download and return to the office by email (Lakelands.PS@education.wa.edu.au) or mail box. <http://www.lakelandsps.wa.edu.au/.../enrol.../enrolment-process/>

P & C News

Welcome to Week 9 of Term 2. I hope everyone has enjoyed being back at school this term and are looking forward to the upcoming holidays. The P&C have been working away in the background coming up with some great events for next term. We are also very excited to share that we were successful in our St John's Heart Grant application. Located outside the Admin building is a community accessible defibrillator. We are registered on the St John's First Responder App if anyone in our community or school needs it. We hope we won't need to use it.

Free Dress day

On the last day of term, Friday, 3 July, all students are welcome to come in free dress for a gold coin donation. Unfortunately, due to ongoing restrictions we will not be holding our sausage sizzle. Please give your gold coin donation to your teacher in the morning and someone from the P & C will collect them.

Carpark Raffle

Term 3's carpark raffle will be drawn on Friday, 3 July at 2.30pm. The winner will be announced on the school Facebook page and will also be notified via call or email. Please have all entries in by Thursday, 2 July. Tickets are 50 cents each. Remember you have to be in it to win it. Good Luck to everyone.

Billy G's Cookie Dough

Thank you to everyone who has participated in our cookie dough fundraiser. To date we have sold a whopping 954 tubs. We have 2 incredible students at the top of our leader board with over 100 tubs between them. All orders close Friday, 26 June and all money for the cash tubs also

Community Newsletter

Week 9, Term 2 2020

needs to be handed in by Friday, 26 June. Prizes need to be ordered by 28 June. Please note we need to have all prizes ordered by the cut-off date as we collect them with the dough orders. The P&C will post a notice on the School Facebook page to arrange collection.

School Banking

Unfortunately, we don't have any news on when we can start back with school banking. Thank you for all your patience we really appreciate it, as soon as we receive any information we will post it on the schools Facebook page.

Discount Card

For only \$10 you can save \$100 by purchasing the 2020 Lakelands Primary School Discount Card from the office. There are currently 54 local businesses offering discounts to card holders. There is something for everyone including beauty and hair services, driving lessons, web design and many more. It's great value and available to everyone.

Scholastics

The fourth issue of the book club is now closed. You can still view and order books online www.scholastic.com.au/LOOP.

Meetings

Our next meeting will be held on Wednesday, 24 June at 8.45am in the Staffroom, light refreshments provided. Everyone is welcome.

I hope you all have a safe and enjoyable holiday break. Please stay safe and we look forward to seeing you all back for Term 3.

Animal Fun - Module One

Balance and Strength

The activities in this module focus on developing static and dynamic balance, strengthening muscles and climbing skills.

Static Balance is required when a child needs to maintain balance in a stationary position such as standing in line, sitting at a desk or sitting on the mat. These everyday tasks in any classroom require a child to have good core strength and the ability to balance their body in a given position. Children with poor balance may be seen to slouch over their desks, flop and fidget when on the mat and bump into others when lining up.

Dynamic Balance is required when moving. The ability to correct their bodies when becoming unbalanced is important to prevent injury. Unbalanced movements can lead to a lack of confidence in attempting more complex tasks. Children with poor dynamic balance are often seen as clumsy or accident prone.

Strong leg muscles are essential for every day health and fitness. They allow a child to walk, run, skip, hop and kick. All of these movements form the basis for many sports and games but most importantly allow a child to enjoy being active.

A competent **climber** has strong arm muscles, good motor planning skills, balance and coordination. Climbing is important for young children as it allows them to participate fully in a range of playground games and encourages vigorous activity which is a good way of using/spending energy.

Personal Best: Time your child and members of your family to see who can balance on one leg the longest (Flamingo). Practice a few times over several days and watch how quickly balance can improve! Record your results here in the table.

Dog Scratching

Resources: Enough space for the children to be able to crawl around easily on a comfortable surface.

Starting Position:

Children on their hands and knees in a crawling position; tummy tucked in (ask them to pull their belly buttons in, but not hold their breath)

Starting position

Movement:

Ask the children to crawl forwards using opposite arm/leg movement, i.e. right arm/left leg, left arm/right leg. Ask them to slow pant while crawling. After about 4 paces, ask them to stop and scratch their tummy with their (L) front paw. Crawl forwards again, then scratch with the (R) front paw.

Child crawls forward

Extras:

This would work well with the other dog activities.

"Scratching belly" and balancing on one arm

Critical Point:

Legs and one arm stay on surface when other arm is lifted for scratching.

Module 1: Medium

Forest

Resources: None

Starting Position:

Children face in various directions. Choose which type of tree they want to be.

Starting position
Children choose a "tree"

Movement:

Gum Tree (Feet apart, arms spread).
Pine Tree (Feet together, arms up, palms together).
Moreton Bay Fig (Feet wide apart, arms wide).
Children move according to the breeze. No breeze, slight breeze, stormy.

Moving according to the "breeze"

Extras:

Night time in the forest. Children close eyes.

Critical Point: Children need to take care not to knock other trees over.

Children move with eyes closed

Module 1: Easy

Flamingo

Resources: A flat firm floor surface.

Starting Position:

Children stand with arms by their sides and feet flat on the ground.

Starting Position

Movement:

Ask the children to stand on their (R) leg and use their arms for balance. Then ask them to stand on their (R) leg with the (L) foot placed against the knee of the (R) leg and use their arms for balance. Then ask them to place their hands on their hips. Swap to stand on the (L) leg.

Balance on one leg

Extras:

Change the floor surface to softfall, grass or soft sand.

Place foot against knee

Critical Point:

Keep hands on hips.

Progress to hands on hips

Module 1: Difficult

Date	Name	Time Left leg	Time Right Leg	

Thank you for taking the time to learn about this exciting program. I hope you give these activities a go with your children. Module two will be in our next Newsletter.

Week 9, Term 2 2020

Lakelands
PRIMARY SCHOOL

Mandurah Scouts invite all youth ages 6 & 7 to begin their Scouting Adventure with us.

We offer a youth led program that mixes outdoor adventure with games and Indoor learning projects.

Youth are empowered to make discoveries and learn life skills. They are encouraged to act co-operatively and respectfully towards fellow Scouts and Leaders and to try new things. Scouting builds confidence, resilience, perseverance and tolerance in an atmosphere of adventure, fun and friendship. Let your child be part of an experience that will last a lifetime.

For more information contact us via email at gl.mandurah@scoutswa.com.au or through the Facebook page 'Mandurah Scout Group'.

Jump into Joey!
For Fun & Friendship

Joey's meet 5.30pm-6.30pm
Wednesdays during the school term
at the Coedrup mall, Wanjassa St,
Coedrup. All are welcome and you
can come and try for the first 4
weeks for free!

Crunch&Sip®

What foods can I pack for Crunch&Sip®?

Allowed

Vegetables
✓ All fresh vegetables (eg celery, carrot sticks, broccoli bits etc.)

Fruit
✓ All fresh fruit (eg whole fruits, chopped melon etc.)
✓ Fruit canned in water, juice or 'no added sugar' (eg peach slices)
✓ Dried fruit - please limit as it contains concentrated sugar and tends to cling to teeth, increasing risk of tooth decay

Water
✓ Only plain water

Not Allowed

Drinks
✗ Any drinks other than plain water including fruit or vegetable juice, fruit juice drink, fruit cordial, mineral waters, carbonated water

All other foods not permitted include:
✗ Dips, including those that are vegetable based
✗ 'Fruit' products (eg fruit leather, fruit roll-ups, fruit bars or similar)
✗ Fruit jams, jellies, pies and cakes
✗ Fruit canned in syrup or jelly or with artificial sweeteners
✗ Canned or processed vegetables
✗ Vegetable or potato crisps, hot potato chips
✗ Vegetable pastries (pies, pasties, sausage rolls)
✗ Vegetable cakes, fritters, quiches, breads or similar
✗ Popcorn

Mindfulness

A workshop for couples and individuals

Mindfulness is about consciously bringing your awareness to the here and now. Mindfulness training helps you to live in the present moment and engage fully in what you are doing.

Research has shown that mindfulness training helps you to deal with stress better, improve your concentration, reduce obsessive thinking, as well as improve your psychological and physical well-being.

This one night seminar gives you an experiential introduction to Mindfulness, covering:

- Simple mindfulness exercises
- How to manage uncomfortable or painful feelings
- How to manage negative thinking

Monday 29 June, 6.30pm to 9pm
Don't miss out! Book by Thursday 25 June

Lotteries House, 7 Anzac Place, Mandurah

\$15 per person (\$10 for concession card holders)

Places are limited so book now on 6164 0588 or
Email: Mandurah.Education@relationshipswa.org.au

These workshops are being run face-to-face following all physical distancing and health requirements. Numbers are limited.

Communication in Relationships

A one night workshop for individuals and couples

Communication is much more than imparting information or seeking answers. In relationships, effective communication is the avenue through which people connect, thus enhancing intimacy and understanding.

This one-night seminar looks at:

- Components of communication, both verbal and non-verbal
- Barriers and roadblocks – why communication can break down
- New skills in communication which include a shift in attitude
- Problem-solving techniques and opportunities to practice them.

Wednesday 24 June, 6.30pm to 9pm
Don't miss out! Book by Thursday 19th June

Lotteries House, 7 Anzac Place, Mandurah

\$15 per person or \$25 per couple (\$10 or \$15 per couple for concession card holders)

Places are limited, so book now on 6164 0588 or
Email: Mandurah.Education@relationshipswa.org.au

These workshops are being run face-to-face at Lotteries House, following all physical distancing and health requirements. Numbers are limited.

ONLINE WORKSHOPS

June - July 2020

Special Introductory Price \$15pp per workshop

Mums Raising Teen Girls Mon 22 June 6.30pm-9pm
As we know, the relationship between a mother and her daughter is very important. This workshop helps mothers to better understand their daughters and the challenges they go through during puberty and helps to better equip their daughters to be happy and strong individuals.

Healthy Conflict in Relationships Wed 24 June 6.30pm-9pm
Conflict is a normal part of any relationship. How to manage it and resolve problems in a way that improves relationships rather than harms them is the focus of this workshop.

Self-Worth - An Introduction Wed 24 June 6.30pm-9pm
A healthy understanding of our self-worth is one of the keys to personal well-being. It helps strengthen relationships and promotes a consistently good emotional state in which people feel positive about their person value and qualities.

Supporting Your Anxious Child
2 sessions available
Morning Workshop Thurs 25 June 9.30am-12pm or
Evening Workshop Tues 30 June 6.30pm-9pm
Are you concerned that your child seems overly anxious? Do they often complain of stomach pains or of feeling sick? Do they often seem irritable, regularly having emotional outbursts? They may be experiencing anxiety. This workshop explores anxiety in an easy to understand format and gives you strategies to support your anxious child.

Express Yourself Assertively Thurs 2 July 6.30-9pm
Asserting yourself effectively gives you the edge in improving your relationships with family, friends, neighbours and work colleagues. It helps to get your needs met whilst respecting the needs of others.

Fathering After Separation Thurs 2 July 6.30-9pm
It's important for fathers to distinguish between their parenting role and the relationship break-up. This workshop, held in a male-friendly environment, will help you develop parenting skills that are responsive to your children's needs as they find their way through the family separation, and to assist you find helpful ways to stay in contact with your children.

- All workshops are interactive and participants will need either a desktop, laptop or tablet/lpad (unfortunately smart phones are not suitable).
- We will be using the Zoom platform to conduct these workshops
- Registration and payment prior to the session is required.

Places are limited - please contact (08)6164 0200 to register today
For more information about our courses and workshops, please click [here](http://www.relationshipswa.org.au) or visit www.relationshipswa.org.au
